

NYLON P.10 SPIRAL HOSE

Spiral tube without codoli, nylon P.10.

FEATURES

Spirals made with flexible, **plasticized, tenacized and heat-stabilized P.10 polyamide tube**. We produce them without straight terminals to offer the best value for quality / price for **industrial applications** in controlled environments or for DIY activities. On request, **spirals are made to design**, even with electric cables.
